

SKOKOMISH INDIAN TRIBE REQUEST FOR PROPOSAL

INTRODUCTION: The Skokomish Indian Tribe (Tribe) Has been awarded by the Indian Health Services and the Environmental Protection Agency Grant for the SKOKOMISH COMMUNITY WATER SYSTEM PRESSURE IMPROVEMENTS PROJECT. The Tribe is requesting BIDS to furnish and construct new water main extension from companies licensed to do business in the State of Washington. Project is mandated to follow Davis Bacon and Build American Buy American requirements. Bonding is also required.

PROJECT DESCRIPTION:

The project located in Mason County encompasses the construction of a new water main extension for a length of about 9,000 lineal feet. It starts at a point near the existing water well along the easterly section of N Herring Rd. From there the route is expected to go to N Pelican Rd., along Pelican Rd. to the Tacoma Power easement, then south along the power easement to Enatai Creek. The route continues south along SR 101 to a point close to Reservation Rd.

SCOPE OF SERVICES: The project activities will require collaborating with staff from the Skokomish Tribe Office of Community Development. The Tribe anticipates the scope of work will include the following list of activities which are not necessarily in the order of occurrence and may not be all inclusive:

- Site prep for the new water line extension
- Construction of the new water line extension
- Material and Labor for construction of the new water line extension
